## Make your very own **Clay Mary Statue**

Now you can create your own statue of Mary to put in your room!  
(You'll need help for this.)

### Ingredients:

- measuring cups
- measuring spoons
- waxed paper
- saucepan
- 1 cup all purpose flour
- 1/2 cup salt
- 2 teaspoons cream of tartar
- 1 tablespoon cooking oil
- 1 cup of water
- 2 tablespoons of glitter
- a few drops of blue food coloring

**1. MIX** dry ingredients in a medium size saucepan, then add the oil and water.

**2. ADD** food coloring slowly to get the shade of blue you want, stirring constantly over low heat until your mixture becomes a ball in your saucepan.

**3. REMOVE** from the pan (be careful, it's hot!) and place on a large sheet of waxed paper. Knead in the glitter. Work and shape your clay into a statue of Mary. You can use a toothpick to trace a head, eyes and mouth on your statue.
